FMN-M Series - Manual clamping element for miniature linear guides

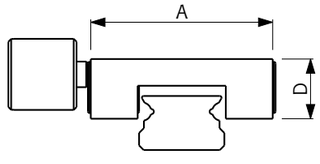

Manual clamping element for miniature linear guides.
By acting on the locking screw, the contact sections press with sync on the surfaces of the rail.
The floating profiles of contact ensure a symmetrical distribution of the force on the linear guide.
New ergonomic design to save space.

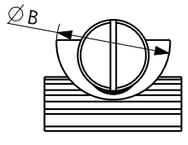

FMN ##---

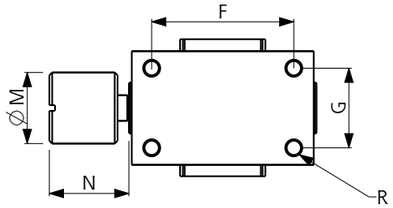

## Guide size	**9 ÷ 15 mm**
Working type	**Manual**
Body	**Steel**

- **Simple and inexpensive**
- **Floating locking contacts**
