FMN Series - Manual clamping element for linear guides

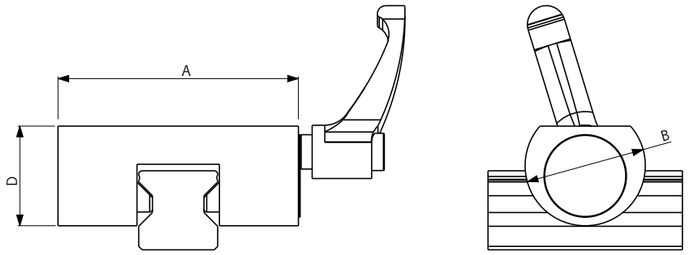

Simple and reliable, this clamping element is manually controlled.
By acting on the adjustable locking lever, the contact profiles press with sync on the surfaces of the rail.
The floating profiles of contact ensure a symmetrical distribution of the force on the linear guide.
New ergonomic design.

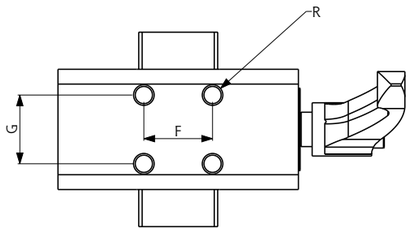

FMN ##---

## Guide size	**15 ÷ 65 mm**
Working type	**Manual**
Body	**Steel**

- **Simple and inexpensive**
- **Floating locking contacts**
